Summary

Ambitious student pursuing a Bachelor of Technology degree in Computer Science and Engineering, actively seeking a Software Engineer Internship opportunity. Demonstrated expertise in Python and web development, coupled with a strong work ethic and dedication to delivering high-quality results. Eager to leverage my skills and enthusiasm to contribute effectively to innovative projects and gain invaluable industry experience.

Skills

- Deep learning
- Skills in Web development
- Communication Skills
- Basic knowledge on Java
- Basic Knowledge on C
- Basic Knowledge on SQL
- Skills in python
- Ability work in a Team
- Time Management
- Fast learner
- Leadership

Education and Training

Bachelor of Technology
Rajiv Gandhi UNiversity Knowledge And Technology
Kadapa,Andhrapradesh,India
Computer Science And Engineering,
Expected in 05/2026

Certifications

IBM Python Skills Certification
- earned on 24/04/2024
- A course by Cognitiveclass.ai powered by IBM Developer Skills Networrk

Experience

internpe
Python Developer Intern   *09/2023 to 10/2024*

During my internship at InternPe, I diligently completed assigned tasks, showcasing my proficiency in Python and my commitment to delivering quality work. I demonstrated my ability to contribute effectively to the team's objectives. My dedication to meeting deadlines and executing tasks with precision reflects my strong work ethic and adaptability in dynamic environments.

Codsoft
Web Developer Intern   *04/2024 to 05/2024*

As I pursue my internship at CodSoft, I am immersed in the realm of web development, actively refining my skills and knowledge in this dynamic field. Engaged in various web development tasks, I am gaining hands-on experience in front-end and back-end technologies. With each project undertaken, I am not only expanding my technical expertise but also honing my problem-solving abilities and collaborative skills within a professional setting.
